(c) Ref:- G.O.No.Ms.556 dated 19-3-45.

In the G.O. cited above, sanction was accorded to the retention of a temporary lower division clerk in the Taluk Office, Coondapur for a period of one year from 1-4-45. The Tahsildar, Coondapur reports that the staff of his office is short by two clerks when compared with that of the Taluk Office Karkal and by 4 clerks when compared with that of the Taluk Office, Udipi, and that it is quite inadequate to cope with the work which has been increasing year by year. He therefore recommends the permanent retention of the temporary clerk. It, is true that the work in the Taluk Office, Coondapur which necessitated the creation of the temporary post during the past several years, has not decreased, and it is not possible to manage the work without the additional clerk. I request that the Board may be pleased to address Government for the permanent retention of the temporary clerk and pending orders; sanction the retention of the clerk for one more year from 1-4-1946.

The Tahsildar of Coondapur from whom the necessary statistics were called for, reports that no figures previous to 1943 are available as the business statements have been destroyed. A statement showing the ststistics for the years 1943 to 1945 as furnished by the Tahsildar is enclosed. I am asking the Tahsildar Coondapoor to submit separate proposals for the permanent retention of the clerk, after compiling the statistics called for from the distribution registers maintained in the office and shall submit them to the Board separately as soon as the Tahsildar's report is received. Meanwhile I request that as the statistics for the 3 years 1943-45 show a steady increase in the work in the taluk office, the retention of the clerk for one year more (upto 31-3-48 47) may be sanctioned, as already recommended by me in my report Ref. C. No.1907-46 A.1 dated 1-3-46.

2. Under Finance dept memo No 39612 (A) E II-1 dated 9.1.37, no proposals for making any temporary establishment permanent should be taken up for consideration until the establishment has been in existance continuously for five years. Even then the establishment should not be made permanent unless experience has shown that the staff is permanently required to deal with the normal volume of work. It is reported that the post in question has been in existance for fifteen years. ~~It is evident that the post is in existance for over~~ ~~the post is being retained from 1942 & is evident from the Extract of G.O No 151 Rev dated 22.1.47~~
